Fill in the blanks with the correct form of the phrases shown in the pictures.

Alicia and Miriam have been very good friends and housemates for years and they get on well with each other. They also have a lot in common and they like doing a lot of things together. The very first thing they love doing is just sitting at home and (1) ..... They talk about their friends at school and their family problems. Sometimes they (2) ....., and their favorite is animations. Although they are 19 now they still love them. At the weekends they (3) ..... together; most of the time jogging in the park. They also like (4) ..... and buying fashionable clothes. They both like rock music and they are fond of (5) ..... to watch their favourite music band's live performances. On Saturday evenings they prefer (6) ..... at home, because they like being social. They have lots of friends and they invite them to their house. They like trying new tastes so once every week they (7) ..... at different restaurants. Of course it is not always the fun part that they are sharing, when they are in the exam week, they (8) ..... When Spring Break comes, they take their backpacks and (9) ..... in nature. They both hope their friendship will go forever because they really like being together.

2 For the questions (1-5) choose the best option to fill in the blanks.

Amy is ten years old and she studies at primary school. She is always alone at school because her friends don't like her a lot. It is mainly because she is too (1) ..... ; she only thinks about herself. For her the most important thing in the world is herself. What's more she is quite (2) ....., she gets angry very quickly and she starts shouting at her friends. Her friends think that she is (3) ..... too, she is never honest to people about her real opinions and feelings. However, she has some positive traits too, she is very (4) ....., if she decides on something nothing can stop her from achieving it but she can be very (5) ..... while doing this. For example, if one of her friends gets a better grade than her, she becomes moody. It seems if she doesn't try to change herself she will never have any friends around her.

- |                   |                 |              |               |
|-------------------|-----------------|--------------|---------------|
